Dear Bernice:

Very sorry to have missed you the other day; however, from the message I received, everything is taken care of.

I hope that I'll be hearing from you from time to time. Why not try Sunny Florida for a vacation?

Dear Yuki,

Please let Mr. Haffa
know that we no longer page on our pool deck.

I know for a fact that
Mrs. Haffa did not like the paging on the pool deck
and that is the reason she did not stay with us on her
last visit.

Hope they will both
stay with us this December.

Kind regards,

Dear Bernice,

I really enjoyed talking to you yesterday on the phone. Wish you could come down here as I would like to see you. We have had a beautiful winter. Are now having a little cold snap but it won't last long, we are told.

Thought you might like some of our literature to look over.

Whenever I can do anything for you here please let me know and I hope to see you in the not too distant future.

Give my regards to the girls.

Sincerely,

June
